June 2026

Our Resident's are enjoying our Morning Tea Outings.

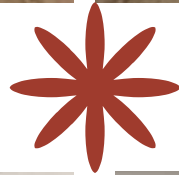

The Newcastle Yacht Club is proving to be one of the more popular venues. The "Yachtie" has a CRACKING cake selection and the view speaks for itself, just lovely. The Staff could not be more accommodating if they tried, they've consistently gone over and above to make us feel welcome.

We have found another gem of a café “First Light Lambton” Café in Elder Street, if you have a favourite café, please let us know and we can add it to the Latte Lovers List!

We welcomed

Greg Dimmock Concert

Greg Dimmock and his swag full of instruments curated during his travels around the globe, has created a unique performance experience. Greg never fails to bring his down to Earth, quintessential Aussie style to entertain and inspire Residents, Family and Friends.

Many were delighted with the recent addition to our Doll Therapy Collection.

Jay Jay the marmalade tabby cat created lots of smiles and brought back fond memories of childhood pets amongst our Resident cohort.

Ship O Fools Concert

Ship O Fools Chris Kelly's recent Birthday of the Month Performance was a **BLAST!**

Chris's studied internationally at the Dell Arte School of Mime, Comedy and Physical Performance which has afforded him his lifelong passion for Entertainment.

We were delighted by an incredible morning of magical moments. Chris and his lovely wife Deb are Clown Doctors engaged by the Humour Foundation. Both are passionate about bringing hope and laughter to JHH Children's Hospital. Laughter, as they say, is the best medicine!

Grainery Morning Serenade Outing

Our outing to The Morning Serenade, Morning Tea Gathering in late May inspired all who attended, we all agreed that bringing Stuart to MAC for an onsite performance was a great idea!

Stuart Brown delivered an AMAZING and powerful performance at MAC and will return by popular demand. Your feedback was overwhelmingly positive. Stuart, an experienced operatically trained performer, enjoyed his youth performing on Cruise Ships and in Theatre Productions.

Wayne Rogers Birthday of the Month

Wayne breaks
the dawn
again! Birthday
of the Month
sparkled,
shimmied and
shined.

Cooking With Deb!

We are forever grateful for our fabulous Volunteers at MAC that enrich the lives of our Residents. Cooking with Deb is a popular and well attended event, it certainly helps to have an outcome of some delicious treats to share amongst the Resident cohort!

Rocky Road YUM... to all that joined in and helped to slice and dice all of the goodies, thank you... Many hands make light work!

We need your help with an exciting new project at Mayfield Aged Care!

We are pleased to announce the creative, EXCITING joint initiative of our Board, Nicola Gardener (Director) and Amy Tinely (Director) to establish an onsite Vintage Upcycled Clothing Boutique at MAC.

Of course, your new little shop needs a name!

We are asking you, our Residents, Families and Friends to brainstorm a suitable name for the Boutique.

We would love your input and suggestions... Please place your ideas in the Suggestion Boxes located on both East and West Reception.

We do have some initial ideas and suggestions;

“Myrtle’s Closet” in reference to the beautiful Crebert Street frontage Crepe Myrtle’s that gift MAC their vivid, striking early spring and summer blooms along with the fiery Autumn foliage.

“Retro Rose” in reference to the song “Second Hand Rose” introduced by Fanny Brice in The Ziegfeld Follies and later made famous to a new generation by Barbara Streisand.

We are looking forward to receiving your ideas!

Our monthly Physio Bus Outing this month saw something a little different, however feedback from those who attended the Bones and Groans with Dr Anna Corbin morning tea was glowing! Late May, Physio Outing Walking Group had a fun time, they covered an approximately 500 metres walk...without a rest, in addition to a lovely coastal scenic drive.

Taking advantage of the delightful weather in the front courtyard, fun times, good music, delicious Superior BBQ... prawns, lamb sausages, chicken skewers and delicious side salads what more can we ask for, SENSATIONAL! Happy Days.

Dining Room Upgrade!

Thank you to all for your patience and support whilst the Dudley Dining Room's new flooring was being installed.

We invite you to enter your Feedback through our TellTouch System, it's a fabulous way to gauge Resident opinion and engagement for events and regular happenings. Please ask Staff for assistance if you're uncertain how to get started, we are happy to oblige!
